Finds Cure for Epilepsy After Years of Suffering

"My daughter was afflicted with epileptic fits for three years, the attacks coming every few weeks. We employed several doctors but they did her no good. About a year ago we heard of Dr. Miles' Nervine, and it certainly has proved a blessing to our little girl. She is now apparently cured and is enjoying the best of health. It is over a year since she has had a fit. We cannot speak too highly of Dr. Miles' Nervine."

MRS. FRANK ANDERSON, Comfrey, Minn.

Thousands of children in the United States who are suffering from attacks of epilepsy are a burden and sorrow to their parents, who would give anything to restore health to the sufferers.

Dr. Miles' Nervine

is one of the best remedies known for this affliction. It has proven beneficial in thousands of cases and those who have used it have the greatest faith in it. It is not a "cure-all," but a reliable remedy for nervous diseases. You need not hesitate to give it a trial.

Sold by all Druggists. If the first bottle fails to benefit your money is returned.

The Bull Moose is a wheesome bird That flits from crag to crag, And bleatsomely its voice is heard In many a blissome brag. It hops about on gloosome wings With much glissome glee, And in a vinctus voice it sings "I-me! I-me! I-me!"

Seven New Wonders

According to a vote recently taken among seven hundred of the leading scientists of various countries as to the Modern Seven Wonders of the World, Wireless was given the first position. In the order of voting, the others came as follows: Telephone. Aeroplane. Radium. Antiseptics and Antitoxins. Spectrum Analysis. X-Ray.

As a contrast, peruse the following list of the Ancient Wonders of the World: Pyramids. Pharos Lighthouse. Hanging Gardens of Babylon. Statue of Jupiter. Mausoleum of Artemisa. Colossus of Rhodes. Temple of Diana at Ephesus. The comparison of these two lists is an eloquent demonstration that the advance of the race has been along the lines of the greatest good for the greatest number. Luxury was the password of the ancients; usefulness, that of the present. Of the Seven Wonders of the Modern World, all are of incalculable benefit to man; all mark great steps forward in his march of triumph.

Fortunes in Faces

There's often much truth in the saying "her face is her fortune," but its never said where pimples, skin eruptions, blotches, or other blemishes disfigure it. Impure blood is back of them all, and shows the need of Dr. King's New Life Pills. They promote health and beauty. Try them. 25 cents at Safford Drug Co., Safford, Arizona. 33-4t

She's a wise woman who knows just what to do when her husband's life is in danger, but Mrs. R. J. Flint, Braintree, Vt., is of that kind.
